

Community Support

Whaling Days Board invests its time annually into partnering with other non-profit organizations and assisting with their fundraising. Whaling Days is a 501(c)(3) non-profit. Your donations are tax deductible! We need community support to bring fun activities as well as local and national music artists. Many opportunities are available for 2026. As we focus on partnering with our Kitsap County Commissioners to bring an annual holiday light display to Silverdale Waterfront Park! Be a part of history in the making and become a sponsor today!

Note: Donations to related festival events (Duck Race, Parade and Whale of a Run) are **not** Whaling Days sponsorships.

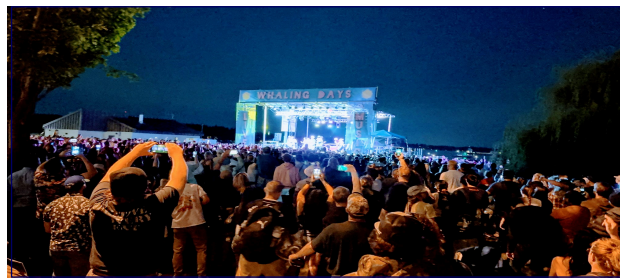

Why Be A Sponsor?

Great Value: Enjoy the best festival exposure in Kitsap County.

Community: Be a community leader by investing in this historic Kitsap County event and by promoting a fun and exciting place to live.

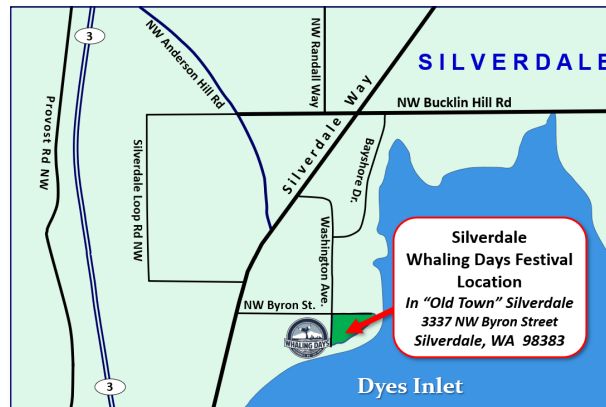

Exposure: With a reach of almost HALF A MILLION on Facebook in 2025, your organization will have multiple unique advertising opportunities.

Whaling Days also has the MOST followers on social media in Kitsap of ANY Festival. You will also have great exposure on Instagram, in print, digital, reader boards, TV, radio and more.

A TREASURED TRADITION

Since 1974, and with an all-volunteer board, Whaling Days has provided a free, family-oriented, community festival held in “Old Town” Silverdale during the last full weekend in July.
